

Fabian Essays in Socialism

The Fabian Society is a British institution, which, though radical, advocated social reform through legislative rather than revolutionary means. It pre-dates the British Labour Party, which it influences to this day. The Fabian Society founded the London School of Economics in 1895. Here we have a collection of essays by great thinkers of the early 20th century and edited by George Bernard Shaw. - Summary by LynneT

Read by volunteer readers. 16 Tracks. Total Duration: 10:28:30
